

303 Franklin Workforce Housing

The proposed land use for 303 Franklin Street is mid-rise multi-family housing. The proposed project will contain at least 70 multi-family units, tentatively consisting of 20 studio, 30 1-bedroom and 20 2-bedroom units in a six-story building. The ground floor story will be comprised of 20 parking spaces and ~3,000 square feet of office, amenity, and lobby space. There is a proposed courtyard on the second story with five floors of housing above the ground floor.
