WHEREAS, Washington State law, RCW Chapter 52.26, provides an option for Regional Fire Authorities to be formed between cities for the purpose of providing regional fire and emergency medical services; and

WHEREAS, in 2019, a study of fire and emergency medical regionalization options in Thurston County was released and recommended further exploration of a Regional Fire Authority (RFA) between the Cities; and

WHEREAS, on May 19, 2021, the cities of Olympia and Tumwater (the Cities) entered into an interlocal agreement to explore the formation of a Regional Fire Authority (RFA) to provide fire and emergency services within the boundaries of the two cities and to share the costs of the study of an RFA (Interlocal Agreement); and

WHEREAS, the Cities subsequently formed the Regional Fire Authority Planning Committee (Planning Committee) to review the formation of an RFA and associated service delivery and financing plan to provide fire protection and emergency medical services within the boundaries of the City of Olympia and the City of Tumwater; and
