## City of Olympia Heritage Review Checklist

The proposed work should not detrimentally alter, destroy or adversely affect any exterior feature relating to the designation of the property to the Olympia Heritage Register. In the case of construction of a new improvement, building or structure on the site of a Register property, the exterior of such construction will not adversely affect and will be compatible with the external appearance of existing designated improvements, buildings and structures on the site. The **Secretary of the Interior's Standards** for the Treatment of Historic Properties (as amended) shall be the standards which guide the review of Register properties. (OMC 18.12.090(C)(1))
