VeloMax

SHELTERS

Features

- ▶ Perfect for student housing
- ▶ U-lockable solid Steel Hoops
- ▶ Optional Side and Rear Panels
- ▶ Economical and space saving

Ideal for locations where space is limited, VeloMax is designed to accommodate the maximum number of bikes in the minimum amount of space. Only 48" deep and 12-feet wide, 9 bikes can be parked securely using our integrated, vertical MaxRacks. VeloMax can be placed virtually anywhere, even against buildings.
