In 2016, the Board developed a 5-Year Strategic Plan with the objective of providing policy direction for considering how to direct future investment of PBIA funds in Downtown. The Plan was intended to be dynamic and updated once Olympia's Downtown Strategy was complete. The Board is refining the Plan to establish clarity about what PBIA does and why, to establish a stronger foundation for ratepayer communication.

Ms. Buckler explained her intention to organize the Committee's goals into manageable outcomes based on what is appropriate for the Committee, to help ratepayers get a sense of what the Committee does and why. This is being done so that the Committee's goals can be included in both the Work Plan for the Board and communications to ratepayers.

Ms. Buckler walked the group through the basics of a "So that" exercise aimed at helping to idenfity the appropriate roles and responsibilities of the Marketing Committee. The

- Why is what you do important?
- Who is it important to?

Ms. Buckler explained how the PBIA Work Plan influences funding decisions and the direction of the Board's actions.
