

18.12.080 Heritage Register - Criteria to Designate Property

Any building, structure, object, site or district may be designated for inclusion in the City Heritage Register if it has significant character, interest or value as part of the development, heritage or cultural characteristics of the City, state or nation; is at least fifty (50) years old, or is of lesser age and has exceptional importance; possesses at least two (2) elements of integrity of location, design, setting, materials, workmanship; is well-maintained; and if it falls into at least one (1) of the following categories:

- A. Is significantly or substantially a part of or connected with events that have made a significant contribution to the broad patterns of national, state or local history.
- B. Embodies the distinctive architectural characteristics of a type, period, style or method of design or construction, or represents a significant and distinguishable entity whose components may lack individual distinction.
- C. Is an outstanding work of a designer, builder or architect who has made a substantial contribution to the art.
- D. Exemplifies or reflects special elements of the City's cultural, social, economic, political, aesthetic, engineering or architectural history.
- E. Is significantly or substantially a part of or connected with the lives of persons significant in national, state or local history.
- F. Has yielded or may be likely to yield archaeological information important in pre-history or history.
- G. Is a religious property deriving primary significance from architectural or artistic distinction or historical importance.
- H. Is a building or structure removed from its original location but which is significant primarily for architectural value, or which is the surviving structure most importantly associated with a historic person or event.
- I. Is a birthplace or grave of a historical figure of outstanding importance.
- J. Is a cemetery which derives its primary significance from graves of persons of transcendent importance, from age, from distinctive design features, or from association with historic events, or cultural patterns.
- K. Is a reconstructed building that has been executed in a historically accurate manner on the original site.
- L. Is a creative and unique example of folk architecture and design created by persons not formally trained in the architectural or design professions, and which does not fit into formal architectural or historical categories.
