

Olympia's 2018 Legislative Agenda

Olympia

Investing in the Capital City

- Olympia is the front door of Washington's State government.
- As the Capital City, Olympia embraces its role as host to the state.
- We value State employees and visiting citizens who work, shop, and dine in our downtown.

2018 Legislative Priorities:

- **State resources and support to address homelessness, affordable housing, mental health and chemical dependency services.**
 - Olympia has the highest percentage of rent-burdened households and the highest concentration of the County's homeless.
- **Funding for new US 101 Interchange ramps in West Olympia.**
 - The Cooper Point Road/Black Lake Boulevard intersection is failing.
 - Addressing congestion in this critical area requires more access from US 101 to West Olympia.
- **Funding and policy guidance for research and future projects to address Sea Level Rise.**
 - Olympia's downtown is vulnerable to widespread flooding, choking vital transportation corridors and closing our business district.
- **Funding to do the work of the Capital Lake/Deschutes EIS Process.**
 - Local partners hope to finally find a long-term solution for Capital Lake. However, to do that an Environmental Impact Statement (EIS) process that engages the public must be completed.
- **Tying property tax revenue growth to population and inflation.**
 - Local governments have limited resources. While the cost of city services continues to grow, a primary revenue source, property taxes, is capped.
 - Passing legislation that ties property tax revenue growth to inflation and population, provides the City with the ability to continue to provide essential governmental services.
