Re: Entry Porch Structural Repair

Dear Mr. Byrne:

Thank you for contacting the State Historic Preservation Officer (SHPO) and Department of Archaeology and Historic Preservation (DAHP) regarding the above referenced proposal. This action has been reviewed on behalf of the SHPO under provisions of Governor's Executive Order 05-05. Our review is based upon documentation contained in your communication.

It is our opinion that the proposed entry porch repairs will have no adverse impact on the National Register listed Lord Mansion in Olympia. As such, further contact with DAHP on this proposal is not necessary. However, if new information about affected resources becomes available and/or the project scope of work changes significantly, please resume consultation as our assessment may be revised.

Thank you for the opportunity to review and comment. Should you have any questions, please feel free to contact me.

Sincerely,

Nicholas Vann, AIA
