

14th AVENUE/WALNUT ROAD SPEED LIMIT REDUCTION

Public Hearing

January 23, 2018

Dave Smith

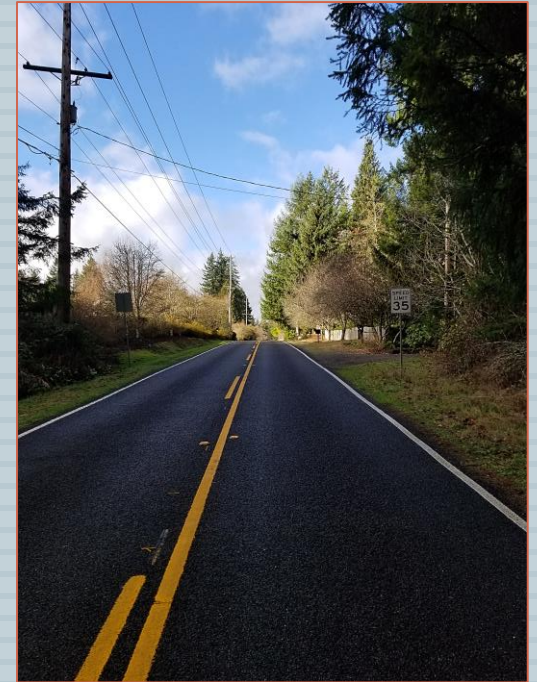

Transportation Project Engineer II

Public Works Transportation

Current Speed Limits

- Residential area in SW Olympia
- 35 mph between Cooper Point Road and Bing Street

*Looking east towards
Bing Street*

*Looking west towards
Walnut Loop*

Citizen Concerns

- Vehicle speeds and visibility
- No sidewalk or shoulder
- Pedestrian safety
- Safety of people riding bikes
- Residential driveways
- Transition from 35 mph to 25 mph at Bing Street

Looking east at curve

Recommendations

- Reduce the speed limit on 14th Avenue/Walnut Road from Cooper Point Road to Bing Street
- Benefits:
 - Increase safety for people walking and people riding bikes
 - Monitor vehicle speed, enforcement and need for additional devices

Conclusion

- Conduct Public Hearing
- Receive Public Comment
- Move to approve ordinance
