

DRAFT Olympia Planning Commission - 2019 Work Plan DRAFT

(April 1, 2019 to March 31, 2020)

The Olympia Planning Commission (OPC) is expected to hold approximately 20 regular meetings plus one optional “retreat” during this period. Special meetings may be held and subcommittees may be formed if necessary or to more efficiently complete the work plan. Staff liaison to OPC will be Senior Planner Stacey Ray of the Community Planning and Development Department (sray@ci.olympia.wa.us; 360.753.8046).

Section 1. 2019 Policy Issues – Will Include a Recommendation to City Council

Commission recommendations on these items would be forwarded to the City Council. Recommendations may be conveyed in writing, directly by the Commission chair or a delegate, or by City staff. Unless otherwise noted, staff estimates there is sufficient professional and administrative staff time to support Section #1 in 2019. In general these work items are tasks that State law or local rules require the Commission to perform. Approximately 75% of overall commission effort.

SECTION 2. 2018 Optional Program Implementation and/or Input to Council or Staff						
<p>As programs are developed and implemented and code amendment proposals and administrative procedures refined, staff often consults with the Commission for their input and perspective. This work is secondary to the primary committee purpose of policy recommendations and advice to the City Council. Depending on scope, there may not be sufficient staff time/resource available in 2019 to accomplish or advance these items. These items comprise approximately 15% percent of the overall commission work plan.</p>

SECTION 3. 2018 Administrative Activities and Informational Briefings In addition to their role in providing input on policy and program implementation, the Commission seeks to be a well-informed and effective advisory body. The activities below are intended to improve how the commission accomplishes their work plan each year and ensure they have information and knowledge necessary to fulfill their role. These items comprise approximately 10% percent of overall commission work effort. It is not atypical to not complete the informational briefings listed below, as they are the first items to be displaced when staff and commission time is needed for higher priority work items.
