NOW THEREFORE, the parties hereto agree as follows:

This Interagency Agreement contains fourteen (14) Articles:

Affiliate Agencies may withdraw from this Interagency Agreement and new Affiliate Agencies may be added by executing an Interagency Agreement with the SPD in substantially the same form as this Interagency Agreement. The term of this Interagency Agreement shall be in effect until terminated pursuant to the provisions hereof. Either agency may cancel this agreement with (30) thirty days of written notification to the other agency. Said notification must be provided from the appropriate authorized authority within that agency. Upon receipt of the written notification the SPD will permanently remove the agency from Affiliate Agency status with the ICAC Program.

ARTICLE II OPERATIONAL STANDARDS

Affiliate Agencies agree to participate on the Washington Internet Crimes Against Children Task Force that is overseen by the SPD.

Affiliate Agencies agree to use only sworn law enforcement investigators to conduct ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC Program training prior to initiating proactive investigations and shall submit reports of all undercover activity to the **SPD ICAC** prior to conducting the investigation.

Affiliate Agencies agree to conduct reactive investigations where subjects are associated within the Affiliate Agencies jurisdiction, including investigations of child pornography, Cybertip (CT) referrals from the National Center for Missing and Exploited Children (NCMEC), Internet Service Provider (ISP) and law enforcement referrals, and other ICAC-related investigations. Additional case initiations may develop from subject interviews,

documented public sources, direct observations of suspicious behavior, public complaints, etc.

Affiliate Agencies agree to locate its ICAC investigators in a secured space, to be provided by the Affiliate Agency, with controlled access to all equipment, software, and investigative files. At a minimum, information should be maintained in locked cabinets and under control of **each** Affiliate Agencies ICAC personnel, with restricted access to limited authorized personnel.

Affiliate Agencies agree to conduct education and prevention programs to foster awareness and provide practical, relevant guidance to children, parents, educators, librarians, the business and law enforcement communities, and other individuals concerned about Internet child safety issues. Presenters shall not discuss ongoing investigative techniques and undercover operations utilized by the WA ICAC TF, its Affiliate Agencies or the national ICAC Program.

Affiliate Agencies agree to be responsible for proper maintenance and use of any equipment purchased with OJJDP Grant funds and loaned to an Affiliate Agency by the SPD. Upon termination of this Interagency Agreement, ownership of equipment, hardware, and other non-expendable items will revert to the SPD.

Affiliate Agencies agree to utilize applicable State and Federal laws to prosecute criminal, civil, and forfeiture actions against identified violators, as appropriate.

Affiliate Agencies shall maintain accurate records pertaining to prevention, education and enforcement activities, to be collected and forwarded not less than monthly to the SPD ICAC Strategic Advisor, Seattle Police Department, **wa.icac@seattle.gov** or entered directly into IDS, for statistical reporting purposes (form provided.)

ARTICLE III SUPERVISION

Each Affiliate Agency will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its officers and agents assigned to assist the WA ICAC TF. WA ICAC TF investigations are a cooperative effort and investigative decisions will be a joint process guided by the *ICAC Task Force Program Operational and Investigative Standards*.

ARTICLE IV JURISDICTION

The principal sites of WA ICAC TF activities will be in the respective jurisdictional area of each Affiliate Agency. Nothing in this agreement shall otherwise limit or enhance the jurisdiction and powers normally possessed by an Affiliate Agency's employee(s) as a member of the WA ICAC TF. Affiliate Agencies may on occasion be referred investigations that are outside of the physical boundaries of their respective municipalities due to specific needs, capabilities or expertise as identified by the WA ICAC TF Lead Agency. Affiliate Agencies agree to take these referrals and conduct appropriate investigations in conformance with the ICAC Operational Standards, investigative or operational training, and their agency policing policies.

ARTICLE V EVIDENCE

Seized evidence and any other related forfeiture will be handled in a manner consistent with the seizing law enforcement agency's policies.

ARTICLE VI INSURANCE AND LIABILITY

Each Affiliate Agency shall maintain sufficient insurance coverage or a fully funded self-insurance program, approved by the State of Washington, for the protection and handling of the liabilities including injuries to persons and damage to property. Each Affiliate Agency agrees to maintain, at its own expense, insurance or self-insurance coverage for all of its liability exposures for this Agreement and agrees to provide the City of Seattle with at least 30 days prior written notice of any material change in the Affiliate Agency's liability coverage.

ARTICLE VII REPORTING STANDARDS

Using a process provided by the SPD, **each** Affiliate Agency shall submit monthly statistics to the SPD on all ICAC investigations or other investigative work pertaining to the sexual exploitation of children via the approved procedures. In addition, an agency case number shall be included for each sexual exploitation of a minor (child pornography) case, and/or criminal solicitation of a minor (enticement/traveler) case investigated by an Affiliate Agency. Any local media reporting or responses on the investigation will comply with Section 12. Media Relations and Media Releases of the ICAC Operational Standards. The SPD will be responsible for all required reporting to the **OJJDP**.

ARTICLE VIII TRAINING

Affiliate Agencies **shall** make every effort to make investigators designated as Task Force Members available for applicable specialized training provided through the national ICAC Program and other appropriate training programs. The SPD will review training requests and provide funding for ICAC-approved training when appropriate. This funding will

include, but is not limited to; WA ICAC TF hosted, or sponsored or facilitated training through the national ICAC Programs authorized vendors.

Affiliate Agencies seeking funding assistance will be required to submit requests at least thirty (30) days in advance in writing and to comply with the procedures set forth in a separate Interagency Agreement for funding requests. A sample of this Interagency Agreement is available upon request but in no way is tacit or expressed authorization of requested funding or financial assistance given in advance. Funding under the Interagency Agreement is limited to the available funds that are received by the SPD under the **OJJDP** Grant program for the national ICAC program.

ARTICLE IX CONFIDENTIALITY

ARTICLE XI GOVERNING LAW AND VENUE

This Interagency Agreement is governed in all respects by applicable local, State, and Federal laws which shall supersede any provisions made in this Interagency Agreement to the contrary. Any provision effected will not negate the rest of the Interagency Agreement. In case any one or more of the provisions contained in this Interagency Agreement shall be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Interagency Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Exclusive venue is in Seattle, King County, Washington.

ARTICLE XII EFFECTIVE DATE

This Interagency Agreement shall be effective on October 1, 2018 and continue for three years. Upon expiration of the three years this Interagency Agreement shall automatically be renewed for one (1) additional year until such time as federal funding for the ICAC Task Force Program ends or the Interagency Agreement is canceled by either party upon 30 days' written notice delivered to both parties as delineated in ARTICLE I TERM OF AGREEMENT. This Interagency may be executed in multiple counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

The additional or deletion of Affiliate Agencies to or from this Interagency Agreement shall not affect the Interagency Agreement with the remaining Affiliate Agencies.

This Interagency Agreement can be amended or replaced in the event of new requirements under the national ICAC Task Force Program or as designated by law or other proper lawful authority.

ARTICLE XIII RATIFICATION

Any work performed prior to the effective date that falls within the scope of this Agreement and is consistent with its terms is hereby ratified and confirmed.

1. Purpose of the ICAC Standards

These Standards are established by OJJDP to guide administration and operation of ICAC and its Members when working on ICAC-related Investigations and matters.

ICAC Members should make every reasonable effort to comply with these Standards. However, since many aspects of Investigations are dynamic and laws vary widely between jurisdictions – their genesis; methods for their evidentiary pursuit; and their application within court – it is difficult to anticipate every circumstance that might present itself. Thus, reasonable deviations from these Standards may occur depending upon various factors (e.g., emergency situations; timing constraints; accessibility constraints; resource constraints; technology constraints; perceived conflicts between the Standards and statutes, decisional law, and court orders; et cetera).

Should questions regarding the interpretation of these Standards arise or conflicts occur between these Standards and agency policies or law, the subject Commander faced with the issue shall seek the guidance of an OJJDP Program Manager. However, nothing in these Standards is meant to interfere with a Commander's or Supervisor's lawful tactical decision-making.

Commanders may supplement, but not contradict, these Standards in the written agreements they establish with their Affiliates to promote the effective operation of their Task Forces.

2. ICAC National Program

2.1 Mission of the ICAC Program

The Internet Crimes Against Children Task Force Program (ICAC) helps state and local law enforcement agencies develop an effective response to technology-facilitated child sexual exploitation and Internet crimes against children. This support encompasses forensic and investigative components, training and technical assistance, victim services, prevention and community education.

2.2 ICAC Background

The Internet Crimes Against Children Program (ICAC) is a national network of 61 coordinated task forces representing more than 3,500 federal, state, and local law enforcement and prosecutorial agencies. These agencies are engaged in both proactive and reactive investigations, forensic examinations, and criminal prosecutions. By helping state and local agencies develop effective, sustainable responses to online child victimization – including responses to child sexual abuse images (Images), The ICAC Program has increased law enforcement’s capacity to combat technology facilitated crimes against children at every level.

The ICAC Program was developed in response to the increasing number of children and teenagers using the Internet and other technology, the proliferation of child sexual abuse images available electronically, and the heightened online activity by predators seeking unsupervised contact with potential underage victims.

Because ICAC Members understand that arrests alone cannot resolve the problem of technology-facilitated child sexual exploitation, the ICAC Program is also dedicated to training law enforcement officers and prosecutors, as well as educating parents and youth about the potential dangers of online activity.

LAW ENFORCEMENT SENSITIVE**

3. Oversight of the ICAC Program

3.1 The oversight of the ICAC Task Force Program and the administration of ICAC grants is the responsibility of OJJDP. The oversight of each Task Force falls to its Commander. The oversight of each agency, both Lead and Affiliate, falls to its designated Supervisor.

3.2 Commanders shall ensure there are supervisory systems and protocols in place that provide for observation, documentation, and review of ICAC activity. Said systems shall comply with the principles of quality case management and shall ensure that ICAC activities comply with agency policies and these Standards.

3.3 Commanders shall ensure that each Member in his/her Lead Agency and each Supervisor of an Affiliate Agency receives a copy of the Standards.

3.3.1 Supervisors shall ensure that each Member in his/her Affiliate Agency receives a copy of the Standards.

3.4 Commanders shall submit all proposed National Initiatives to OJJDP prior to the start of the project.

3.4.1 OJJDP may suggest amendments to the original proposal following consultation with the presenting Commander and, as appropriate, other federal, state, and local entities.

3.5 Supervisors shall inform their Members about departmental or Task Force employee assistance programs and services available to them.

**LIMITED OFFICIAL USE ONLY
LAW ENFORCEMENT SENSITIVE**

4. Selection and Retention of Task Force Members

4.1 When practicable during the selection process of Members, Commanders and Supervisors shall evaluate prospective candidates for work histories that indicate prior investigative experience, courtroom testimony skills, technical knowledge and ability, an ability to prudently handle sensitive information, a genuine interest in the protection of children, and an understanding of the effects that Members may experience when exposed to Images.

4.2 Commanders and Supervisors shall acknowledge the potential effects of Investigations and exposure to Images. When practicable, they shall attempt to mitigate the potential effects of the work using, for example, the following techniques:

- *Work environment considerations* – Commanders and Supervisors are encouraged to provide a physical location for the work environment that allows the Investigator to conduct discreet Investigations.
- *Work flexibility* – Commanders and Supervisors are encouraged to allow flexibility for Investigators and others who are exposed to Images (e.g., frequent breaks, having an open-door policy, etc.).
- *Educating colleagues* – Commanders and Supervisors are encouraged to teach their colleagues that the viewing of Images is serious and restricted.
- *Work with Mental Health Providers (MHP)* – In compliance with their agency guidelines, Commanders and Supervisors are encouraged to work with MHP to make recommendations for care of Members and to provide education and training designed to minimize the impact of Images.
- *Training* -- Commanders and Supervisors are encouraged to share or seek out best practices for minimization of the impact of Images and to promote attendance at trainings regarding methods used to minimize said impact.

5. Training

5.1 Carefully-managed Investigations conducted by well-trained Investigators are among the most effective techniques available to law enforcement for addressing Crime.

5.2 All national training curricula supported by ICAC resources shall be conducted consistent with the Standards and shall be approved by OJJDP.

5.3 Commanders shall ensure that nominees to attend any ICAC-sponsored national in-person training are current Members.

5.4 Task Forces may develop and deliver Task Force training. This training shall comply with the Standards and shall be approved by the Commander. All costs to develop and deliver the training shall be the responsibility of the Task Force or Affiliate providing the Task Force training.

6. Case Management

6.1 Commanders and Supervisors are responsible for determining Investigative priorities and selecting cases for Investigation in their respective agencies. Those determinations shall include an assessment of victim risk, jurisdiction, known offender behavioral characteristics, and the likelihood of securing the information necessary to pursue each Investigation.

6.2 Conventional boundaries often are meaningless in today's digital world where the usual constraints of time, place, and distance lose their relevance. These factors increase the possibility of Lead and/or Affiliate Agencies targeting other law enforcement personnel, Investigating the same target, or inadvertently disrupting an ongoing Investigation. To foster effective case coordination, collaboration, and communication, each Member shall make every effort to Deconflict all active Investigations.

6.3 Lead and Affiliate Agencies shall be subject to their respective agency's incident reporting procedures and case supervision systems. At a minimum, a unique identifier shall be assigned to each case.

8.3 Investigations shall be documented. Any departures from this provision due to unusual or exigent circumstances shall be documented in the relevant case file and reviewed by the Supervisor.

8.3.1 The retention, storage, security, and disposal of Investigative or case information shall be consistent with the subject agency's policies and federal and state law regarding same.

8.6.2 Members shall familiarize themselves with relevant state and federal law, including but not limited to those regarding the defense of entrapment, and should confer with relevant prosecutors for legal consultation, as needed.

10. Victim Identification

10.1 Identifying child victims of Crime is a critical element of the ICAC Program. DOJ and OJJDP require the Lead Agencies and Affiliates to submit Images to CVIP as a means to improve child victim identification. Absent exigent circumstances, Images shall be sent to CVIP pursuant to NCMEC's standards regarding same. In addition, Lead Agencies and Affiliates are encouraged to collaborate with NCMEC in their effort to identify children depicted in Images.

10.2 Absent exigent circumstances, victim-identifying information shall be protected from public disclosure pursuant to the protections set forth in federal and state law.

11.3 Members shall not endorse any product or service without the express written consent of an OJJDP Program Manager. While making public presentations, Members may indicate a preference for a product or service, but, where done, shall avoid an implicit endorsement and shall include alternatives in the presentation.

No individual affiliated with ICAC may speak on behalf of the national ICAC Program without the express written consent of OJJDP.

12.3 Commanders shall inform their OJJDP Program Manager if approached by national media outlets about the national ICAC Program (as opposed to media seeking information about local activities) so that a coordinated national response can be prepared by OJJDP.

12.4 Information provided by Task Forces to the media shall be consistent with ICAC's mission and background, as described in Section 2 of these Standards.

End of ICAC Standards
