1616 S. Capitol Way	1902	Contributing	Queen Anne	60800301300		Albert Mead
	<p>Recently refurbished as apartments, this house was used by Governor Mead, who served from 1905-1909, as his home. Governor Albert Mead said the Governor's Mansion completed in 1907 was too expensive to heat, and his wife said the large brick building was too cold, so they rented this house as their home. Behind the house was a barn in which they kept a milk cow.</p> <p>The Meads later lived in the Percival Mansion in West Olympia for the larger part of his term.</p> <p>The Mead House is a rectangular, two-story wood frame structure of restrained Queen Anne style on a poured concrete foundation. Its cross-gabled roof is covered with composition shingles, with wood shingles in the gables set off by horizontal banding. A small hip-roofed porch with turned posts and a simple balustrade shelters the entry door on the front (west) facade. At the southwest front corner is a polygonal bay, with decorative brackets and a pendant below the overhanging corner of the second story. Below the south gable is a projecting polygonal bay with hip roof. Fenestration consists of tall double-hung sash with one-over-one lights. A one-story, gable-roofed extension projects to the rear. The house is now divided into apartments.</p>
