

CITY OF OLYMPIA CONTRACT

THIS AGREEMENT is entered into between the City of Olympia (the "City") and Black Hills Excavating Inc. of Olympia, Washington, (the "Contractor"), for the project known as Woodruff Park Sport Court Reconstruction (the "Project"), project number 1866H.

PROJECT DESCRIPTION. The Project provides for the demolition of existing tennis courts and reconstruction of new courts and associated site improvements at Woodruff Park in Olympia, WA. The finished project will include the construction of two new tennis courts, four new pickleball courts, new fencing, improvements to site parking lot and sidewalks, site storm drainage improvements, and miscellaneous park upgrades, all in accordance with the Contract Documents.

IN CONSIDERATION OF THE TERMS AND CONDITIONS CONTAINED HEREIN, THE PARTIES AGREE AS FOLLOWS:

CITY RESPONSIBILITIES. The City agrees to engage the Contractor to perform all work necessary to complete the Project according to the Project plans and specifications under the terms and conditions contained in this Agreement. The City agrees to pay the Contractor according to the Project plans and specifications and the schedule of unit or itemized prices outlined in the Contractor's bid proposal at the time, in the manner and upon the conditions provided for in this Agreement. The contract bid amount is \$515,691.06, which includes any applicable sales or use tax.

CONTRACTOR RESPONSIBILITIES. The Contractor shall perform all work and furnish and bear the expense of all tools, materials, equipment, and labor as may be required for the transfer of materials and for construction and completion of the Project, except as is otherwise designated in the Project plans and specifications, "to be provided by the City." The Contractor agrees to perform any necessary alterations in or additions to the work as required by the City. The Contractor shall complete the Project in accordance with and as described in the Project plans and specifications, and the edition of the Washington State Standard Specifications for Road, Bridge, and Municipal Construction (WSDOT Specifications) referenced in the Project specifications. Contractor binds himself, his heirs, executors, administrators, successors, and assigns.

PROJECT TIMELINE. Work on the Project shall begin on the date provided in the Notice to Proceed and shall be completed in the number of working days outlined in the Project specifications.

LIQUIDATED DAMAGES. If the Project is not completed within the allotted working days, the Contractor agrees to pay to the City liquidated damages in the amount calculated per the WSDOT Specifications for each day the Project remains incomplete after expiration of the Project timeline.

DOCUMENTS INCORPORATED BY REFERENCE. The documents incorporated by reference, as if fully set forth in this Agreement, include the Project plans and specifications, the Contractor's bid proposal, and the edition of the Washington State Standard Specifications for Road, Bridge, and Municipal Construction referenced in the Project Specifications.

INDEMNIFICATION. The Contractor agrees to indemnify, defend, and hold harmless the City and its officers and employees from any claims, suits, actions, damages, or liability whatsoever which may result from or arise out of the Contractor's work under this Agreement. This provision shall not apply to those claims or damages that are determined to have been caused by the sole negligence of the City, its officers, or employees.

EFFECTIVE DATE. The parties to this Agreement have caused it to be fully executed on the date of the last authorizing signature below.
