

# Ad Hoc Committee on Public Safety

## City Council Ad Hoc Committee on Public Safety

<b>NAME</b>	Ad Hoc Committee on Public Safety
<b>PURPOSE</b>	The Ad Hoc Committee on Public Safety will work with City staff and Council to develop a greater understanding of the current public safety system (policing, courts, jail, etc.) and consider recommendations to Council on policy and budget options that will reduce inequities, eliminate bias, and create a public system that works for all.
<b>CHARTERING AUTHORITY</b>	<b>Authority</b> The Ad Hoc Committee, including the members, was authorized on September 29, 2020 by the City Council.
	<b>Decision-making Authority</b> <ul style="list-style-type: none"><li>• A detailed work plan will be approved by City Council in a manner consistent with all other Council Committees.</li><li>• The Committee will forward recommendations to the full City Council when formal action is needed to allocate resources, establish policy, or provide direction to staff.</li></ul>
<b>GOALS</b>	<ul style="list-style-type: none"><li>• Eliminate inequities, bias, and racial injustice within the public safety system.</li><li>• Increase the City Council's knowledge of the City's current public safety system and changes implemented since the citizen Ad Hoc Committee on Police Relations.</li><li>• Increase understanding of existing federal, state, and local policies and codes and how it how it impacts the City's public safety system.</li><li>• Increase the City Council's understanding and use of data in public safety policy discussions and decision-making.</li><li>• Increase Council's understanding and agreement on those areas in which the Council has control and those areas in which the Council has influence.</li><li>• Increase partner investment (County Prosecution, Jail, etc.) and citizen involvement in the public engagement process on 'Reimagining Public Safety'</li></ul>
<b>SCOPE OF WORK</b>	<ul style="list-style-type: none"><li>• Work with staff to identify what we measure, why we measure it and provide feedback on an external facing dashboard focused on public safety.</li><li>• Provide regular updates to City Council on the Committee's work plan, progress, learning, and work products.</li><li>• Recommend topics and a schedule for City Council work sessions on Public Safety.</li><li>• Recommend short-term actions the City can implement that are in accordance with known best practices.</li><li>• Recommended outcomes for Council's consideration for Public Safety</li></ul>

	<ul style="list-style-type: none"> <li>Guiding principles for the Council’s approach in the ‘Reimagining Public Safety’ engagement process.</li> <li>Evaluation and recommendation on need to establish a permanent Committee on Public Safety</li> </ul>
