

2309 Harrison Ave NW, Olympia Wa 98502

Aaron Borden 360-999-8108

Aaron@ajbservice.com

I am proposing to construct an 8900 square foot building approximately 18' – 20' tall single story building for warehouse and professional services. Proposing that each unit will have a wheel chair accessible Unisex bathroom and each unit will be electrically metered separately and will have a separate ductless heat and air conditioning unit head. We are proposing 9 units total.

Please see attached Proposed Site Plan.....
