City of Olympia Special Valuation Review Checklist

The local Review Board shall approve an application for a special property tax valuation if the property is eligible under Section 3.60.010 of this Chapter and under RCW Chapter 84.26.030, the property owner enters into an agreement with the local Review Board for a ten-year period meeting the requirements set forth below, and the rehabilitation upon which the application is based have not altered or in any way adversely affected those elements of the property which qualify it as historically significant. Whether an alteration adversely affects those elements which qualify a property as historically significant, shall be determined by the Review Board based on the Secretary of the Interior Standards for Treatment of Historic Properties (as amended). (OMC 3.60.020(C))

| Complies Conflicts N/A A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships. Standard 2 The historic character of a property will be retained and preserved. The removal of distinctive materials or alterations of features, spaces, and spatial relationships that characterize a property will be avoided. Justification, Conditions & other Notes: Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken. | Complies Conflicts N/A A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.
