City of Olympia Policy Statement for Use of the Lodging Tax Fund

Adopted by the Olympia City Council, June 2007.

Olympia's Lodging Tax Fund will be the primary source of City funding for activities, operations, and expenditures designed to increase tourism. The City does not make any multi-year commitments for tourism promotion services. However, service providers are not limited or prohibited from making annual requests of the same nature.

The City intends to maintain a reserve in the Fund, and will assess on an annual basis how much of the Fund to appropriate in a given year.

The Olympia City Council has created a Lodging Tax Advisory Committee to conduct an annual process to solicit and recommend Lodging Tax funded services for City Council consideration.

The City of Olympia will only consider proposals for use of the Lodging Tax Fund from public and non-profit agencies.

HIGH PRIORITY will be given to tourism activities that:

- Have a demonstrated potential or high potential from the Committee's perspective to result in overnight stays by tourists in lodging establishments within the City of Olympia.
- Promote Olympia and/or events, activities, and places in the City of Olympia to potential tourists from outside Thurston County.
- Have demonstrated or high potential from the Committee's perspective to result in documented economic benefit to Olympia.
- Have a demonstrated history of success in Olympia, or are proposed by a group with a demonstrated history or high potential of success with similar activities.
- Minimize duplication of services where appropriate and encourage cooperative marketing and/or includes an element of cooperation or partnership.
- Provide, maintain, operate, or enhance City-owned tourism facilities or infrastructure.

Olympia Lodging Tax Advisory Committee Considerations

In developing its recommendations, the Committee considers:

- The estimated amount of Lodging Tax Fund available for the coming year as provided by the City's Finance Office.
- Thoroughness and completeness of the proposal.
- Percent of the proposal request to the event/facility promotions budget and overall revenues.
- Percent of increase over prior year Olympia Lodging Tax funded proposals, if any.

- Projected economic impact within the City of Olympia, in particular projected overnight stays in Olympia lodging establishments.
- The applicant's financial stability.
- The applicant's history of tourism promotion success.
- Committee member general knowledge of the community and tourism-related activities.
