[20-0684](#) Briefing on the Armory Creative Campus Business Plan

Program Specialist Angel Nava made a presentation on the concept of the Armory as a Creative Campus. It was noted that this presentation has been shared with the General Government Committee and the Heritage Commission, and will be shared with the Parks and Recreation Advisory Committee and at a City Council Study Session in the coming months. Commissioners shared general support for the idea, with Commissioner Dorgan noting the idea is encouraging for artists in the community who are really suffering right now.

**The report was received.**

[20-0730](#)          ADDED DURING THE MEETING - Fall Arts Walk Update

Ms. Nava updated the Commission on plans to present Arts Month instead of Arts Walk in October, highlighting in-person displays of art, as well as virtual programs and activities presented by participating locations and artists. Keeping with the current CDC and State guidelines, in-person performances and gatherings will not be part of this Arts Month.

**The report was received.**

[20-0692](#)          Review and recommendation of Percival Plinth Project Peoples' Choice Award

Ms. Nava noted there were issues that came up with the program used this year for the voting, which the City typically uses for surveys. In the interest of making sure the vote is straight, above board and fair, the vote will be held again, during the month of October, in association with Fall Arts Month.

**The report was received.**

[20-0685](#)          Artist in Residence Draft Policy Review

Ms. Johnson shared the draft Artist in Residence policy as put together by Commissioners Dorgan, Murray and Williams. Commissioners had no edits. Chair Grisham suggested having a sample Call for Art in place before communicating with the General Government Committee. Ms. Johnson will have a draft ready for the Committee at the October 8 meeting. With Commissioner Williams stepping down as of this meeting, Commissioner Hicks will take her place on the Committee.

**The discussion was completed.**

[20-0686](#)          Grants to Arts & Culture Organizations 2021

Ms. Johnson began the conversation with an update on the 2020 GACO projects, which are all in the process of contract extensions to 2021. This is the time of year when the opportunity goes out, so Ms. Johnson asked Commissioners for guidance regarding the 2021 application process. Commissioners responded that it was important to continue the opportunity and to encourage arts and culture organizations to meet the challenge of COVID 19 in their proposals, working in the community in a safe way. Ms. Johnson will add a preface to the application and share with Chair Grisham and Vice-Chair Dobler for

review. Commissioners also recommended a workshop speaker who has experience in transitioning events to meet COVID restrictions.

**The discussion was completed.**
