Background and Analysis:

Washington's Growth Management Act provides that, with only a few specific exceptions, a city's Comprehensive Plan can be amended only once each year. Accordingly, all proposed amendments are to be collected into one review process. Olympia's code directs that the City Council shall set an annual due date for proposing such amendments. Staff proposes that for 2020 amendments that deadline be 4:00 p.m., Friday, November 15, 2019.

Washington's Growth Management Act provides that a city must review and evaluate its Comprehensive Plan every eight years. Olympia concluded such a 'periodic' review in December 2014. In addition, the Act provides that cities may consider annual Plan amendments. Subject to specific exceptions, the Act provides that any proposed annual amendments must be collected into

one annual review with a schedule 'broadly disseminated' to the public. (RCW 36.70A.130)

Chapter 18.59 of the Olympia Municipal Code outlines the Comprehensive Plan Amendment process. Proposed amendments may be submitted at any time. However, so that proposals are collected into an annual set, the code provides that the City Council shall set an annual submittal deadline. This deadline has varied, but most often it has been in the first half of November.

The subsequent review process includes a preliminary review where the City Council decides which proposals should be considered - commonly known as the "screening" step. Those not eliminated at the screening step are then analyzed in detail and subject to Planning Commission public hearings, review and recommendations. The full process, leading to one collective final decision by the City Council, has varied from eight to 15 months.

To identify potential Plan amendments for 2020, the staff proposes the schedule below. Note that only the submittal deadline is formally set by Council. Other dates are approximate and flow from the initial deadline. A more detailed schedule will be established by staff following Council approval of the initial deadline; including coordination with County staff regarding amendments affecting the Urban Growth Area.

Proposed Annual Comprehensive Plan Amendment Schedule for 2020

- Early October - Public announcement of schedule
- **November 15, 2019** - Deadline for public to submit preliminary proposals (no charge)
- January or February 2019 - City Council "screening" review of preliminary proposals, i.e., determination whether City should consider each proposal
- February or March 2020 - Final specific proposed amendments due (with application fee, and rezone application fees if applicable)
- March and April - City staff analysis and environmental review of proposals
- May to July - Planning Commission review and public hearings
