#### **Background and Analysis:**

At its April 22 regular meeting, the General Government Committee discussed the work of the Advisory Committees in light of the COVID-19 pandemic and the enormous impact it is having and will have on our community and the work of the City going forward.

The Committee wanted to harness the energy and creativity of the City's Boards and Commission and focus it on helping the City's recovery from the coronavirus emergency and on helping position the City for the world post global pandemic. General Government requested that the Advisory

Committees revisit their 2020 work plans during the month of May and organize the year's work on a three-tiered approach:

**TIER 1:** Any new work plan items that relate or seize on opportunities and/or learnings related to the COVID-19 emergency.

**TIER 2:** Any items currently on the work plan that support the City's recovery from the COVID-19 emergency

**TIER 3:** Any items that are critical to advancing City Council priorities, as follows:

- Homeless Response Plan/Implementation
- Regional Climate Mitigation Plan
- Transportation Master Plan
- Parks Plan
- Yelm Highway Master Plan
- SE Annexation
- Housing Options (1923)
- Fire Regionalization
- Economic Development

The General Government Committee's June 10 Special Meeting would be devoted to a review and discussion of the revised work plans with Advisory Committees Chairs and Staff Liaisons.
