Background and Analysis:

Tonight, the PBIA needs to determine who from the Board will serve on a nominating committee that will be tasked with soliciting prospective new board members to stand for election in November. The Board should also identify a lead for this committee.

There is no obligation for the nominating Committee to meet together, although it may be helpful to do so to ensure clarity about their role, expectations and timelines, for which staff can provide support. The Committee should report back to the PBIA Board at the October meeting with information about which ratepayers will be included in the election in November.

There are currently eight (8) open positions. Of those, five are expiring at the end of 2020. These positions will be need to be filled by a vote of the ratepayers in December. Of the remaining three, two expire at the end of 2021, and the last expires at the end of 2022. The board may appoint members to these positions at any time up until the term end.

Section 3.62.130 of the City's PBIA ordinance (**attachment 1**) states:

- The PBIA Advisory Board shall consist of an odd number totaling at least 15 member representatives of Ratepayers representing a diversity of business classifications, interests, and viewpoints.
- The election will be conducted by the Program Manager (i.e., Economic Liaison Mark Rentfrow)
- The Board's duties include the annual development of a proposed work program with specific projects and budgets, the recommendation of the same to the City Council for its consideration, and preparation of a plan for regular communication of PBIA projects and information to Ratepayers.

The PBIA Bylaws (**attachment 2**) establish that each of the three zones should be represented on the advisory board. And Article X describes the procedure for PBIA advisory board elections:

- Each year, a nominating committee, shall in September select from among the ratepayers persons to stand for election as Advisory Board members.
- Any ratepayer in good standing at the time of the election may be nominated.
- Ballots shall be mailed to current ratepayers in good standing (this has traditionally occurred in November.)
- Nominees receiving the greatest number of votes of ratepayers are elected.
- Newly elected Advisory Board members are installed at the first board meeting in January.
- Terms of office shall be January 1-December 31 of each calendar year.
- One third of the board members will be elected each year.

There is no limit to the number of terms a Board member can complete so long as they are re-elected for each 3-year term.

Only when there is a vacancy occurring on the advisory board by reason of death, resignation or removal, the position may be filled for the remainder of the term by a majority vote of the remaining members (Bylaws, Section 10.01.03).
