Utility Advisory Committee

Utilities Scope of Services Updates

Agenda Date: 3/4/2021
Agenda Item Number:
File Number: 21-0219

Type: discussion **Version:** 1 **Status:** Filed

Title

Utilities Scope of Services Updates

Recommended Action/UAC Deliverable:

Briefing only.

Issue:

Receive a briefing on the utilities scope of services for Drinking Water, Storm and Surface Water and Wastewater.

Staff Contact:

Eric Christensen, Public Works Water Resources Director, 360.507.3741

Presenters:

Same as above

Background and Analysis:

Staff will present the scope of services for the Water Resources utilities including programs, staffing and infrastructure.

Neighborhood/Community Interests:

City utilities provide essential health and environmental services to the community.

Financial Impact:

None at this time. However, utility rates pay for the essential utility services.
