City Council may revise the City's Operating and Capital Budgets by approving an ordinance. Generally, budget amendments are presented quarterly to Council for review and approval, however, may be made at any time during the year. The amended ordinances appropriate funds and provide authorization to expend the funds.

The attached ordinance includes recommended amendments to the 2021 Operating Funds, Special Funds, and Capital Funds for: 1) Department requested carry-forward appropriations; and 2) Department requests for budget amendments for the 1st Quarter in 2021.

- 1) Department requested carry-forward appropriations include appropriations and associated transfers representing 2020 obligations for purchase orders and contracts not completed in 2020, as well as capital project-related appropriations. These appropriations total \$40,184,421.
- 2) Department requests for budget amendments for 1st Quarter in 2021 represent new budget adjustments and associated transfers departments requested for 2021. These appropriations total \$6,025,989.

Department requests for budget amendments for the 1st Quarter in 2021 are summarized below.
