Background and Analysis:

The Land Use and Environment Committee annually proposes to the City Council a program of work items to consider that year. The proposed 2022 Work Plan is attached. Items listed under "To Be Scheduled" may be considered in 2022 or 2023, depending on progress on each item.

Neighborhood/Community Interests (if known):

The work items on the Committee's work program are typically of interest to all neighborhoods and the entire community.

Options:

1. Approve draft 2022 work program.
2. Direct changes to draft 2022 work program and approve.
3. Direct changes to draft 2022 work program and refer back to Land Use and Environment Committee for additional review.

Financial Impact:

Staff work on all items on the draft 2022 work program are included in the City's adopted 2022 budget. There are items on the "To Be Scheduled" portion of the draft work program that may require additional funding that has not been identified.
