##### Background and Analysis:

The Parks, Arts and Recreation Department is preparing a RCO grant application for the current funding cycle. The application is due May 3, 2022, and is required to include formal City Council authorization.

The Land and Water Conservation Fund provides funding to preserve and develop outdoor recreation resources, including parks, trails, and wildlife lands. The funds are provided by the Secretary of the Interior and managed by RCO. If successful, the grant would reimburse the City up to \$2,000,000 towards Phase 1 development of the Yelm Highway Community Park.

In 2021, the City was awarded a \$1,000,000 reimbursement grant for the acquisition of the Yelm Highway Community Park parcel.

**Neighborhood/Community Interests (if known):**

The development of Yelm Highway Community Park was included in the 2022 Parks, Arts and Recreation Plan, which was developed with significant public involvement and strong community interest.

**Options:**

1. Approve the Resolution authorizing a grant application to the Recreation and Conservation Office (RCO) for Yelm Highway Community Park.
2. Do not approve the Resolution. Staff would be unable to pursue the grant opportunity.

**Financial Impact:**

The grant totals \$2,000,000.
