Title

Bicycle Parking Code Presentation - Safe Streets Campaign

Issue:

Karen Messmer and Larry Leveen from the local Safe Streets Campaign will present the results of the follow-up survey on the bike parking code they conducted in June 2012.

Karen and Larry attended our May meeting to join the discussion on code enforcement and bike parking and shared their bike parking code survey from several years ago. They mentioned they would do a follow up survey of bike parking code compliance for new developments in 2012.
