**Title**

2013 - 2018 Preliminary Capital Facilities Plan (CFP)

**Issue:**

Every year the *Capital Facilities Plan* (CFP), which is a 6-year plan, goes through an update process. As a part of the update, Council asks advisory committees to provide recommendations. Staff will give a brief overview of the CFP process. Committee members are encouraged to read the Transportation Chapter and bring their comments to the meeting. Last year's letter to Council is attached for your reference. At the meeting members can discuss their recommendations to Council and how they'd like to form their comments. Comments are due by October 9, 2012, and we will finalize comments at the September meeting.

A link to the 2012 CFP calendar is also provided for your reference.
