

## City Council

### Approval of Interlocal Agreement Between the City of Olympia and Port of Olympia for Sharing Geospatial Data

**Agenda Date:** 10/16/2012  
**Agenda Item Number:** 4.C  
**File Number:** 12-0576

---

**Type:** contract   **Version:** 1   **Status:** Passed

---

**Agenda Item:**

Approval of Interlocal Agreement Between the City of Olympia and Port of Olympia for Sharing Geospatial Data

**Issue:**

Share geospatial data and mapping with the Port of Olympia as described in the interlocal agreement.

**Committee Recommendation:**

Not referred to a Committee.

**City Manager's Recommendation:**

Move to approve and authorize the Mayor to sign an interlocal agreement with the Port of Olympia for sharing geospatial data.

**Staff Contact:**

Laura Keehan, Associate Planner, Public Works Water Resources, 360.753.8321  
David Kuhn, GIS Business Manager, Administrative Services- IT, 360.753.8212

**Presenter(s):**

None - Consent Calendar Item

**Background and Analysis:**

The City has comprehensive GIS data sources for water, stormwater, and sewer systems and would like to improve the accuracy of our information regarding infrastructure on Port properties. More accurate mapping will assist with spill and illicit discharge coordination between the City and Port. Additionally, the Western Washington Phase II Stormwater Permit, under which both the City and Port are regulated, encourages sharing of mapping data between Permittees. Similar data sharing agreements have been previously approved between the City and Thurston County.

**Neighborhood/Community Interests (if known):**

---

**Type:** contract **Version:** 1 **Status:** Passed

---

No known concerns.

**Options:**

1. Authorize the interlocal data sharing agreement
2. Decline authority to sign the interlocal data sharing agreement

**Financial Impact:**

None
