Shoreline Master Program Workshop with Government Agencies

Issue:

On August 21, 2012 City Council directed staff to move forward with the draft Shoreline Master Program Workshop schedule. Council agreed to hold its fourth workshop meeting on October 2, 2012 with affected units of government.

Committee Recommendation:

The Land Use and Environment Committee reviewed and recommended the workshop schedule.

Staff Contact:

Keith Stahley, Director, Community Planning and Development Department, 360.753.8227

Presenter(s):

Keith Stahley, Director, Community Planning and Development Department

Background and Analysis:

The City Council recently began its own process to consider the Shoreline Master Program Update. City Council conducted a Shoreline Education and Workshop session on July 28, 2012. On August 21, 2012 City Council considered a proposed schedule that included workshop meetings on September 11, September 25, October 2nd and November 3, 2012. Council agreed to move forward with the next three workshop meetings and asked that an Other Business item be added to its October 16th City Council Agenda to provide an opportunity to consider next steps and whether additional workshop meetings are advisable.

Staff is including a spread sheet with information on all parcels fronting the marine shoreline as Attachment 2. This information will serve as the basis for staff's overview of governmental interests along the shoreline.

Tonight's meeting is intended to provide Council with an opportunity to hear interests and positions from other affected governments and discuss possible solutions. City staff will be present prior to the meeting for questions and answers.
