Capital Facilities Plan (CFP) - BPAC Review and Comment

Issue:

Each year, the committee has the opportunity to provide comments to Council on the Capital Facilities Plan (CFP). At the March 27 BPAC meeting, staff provided an overview of the CFP programs that affect bicycle and pedestrian transportation. As with prior years, with a lack of General Fund revenues, many programs are not being funded. The the committee's 2012 letter to the City Council on the CFP is attached below. The preliminary draft of the 2014-2019 CFP is not yet available for review. However, the 2013-2018 CFP can be found on the City's website (link provided below). Also, please refer to Co-chair Gilman's April 16 email.
