Sharrows

Issue:

Presentation of a report on the use of sharrows. A discussion of the application of sharrows on Puget Street.

Presenter(s):

Sophie Stimson, Senior Planner, 753.8497
Michelle Swanson, Senior Program Specialist, 753-8575

Background and Analysis:

The attached report describes the range of use of sharrows and confirms Olympia's application of them.

As part of the Neighborhood Pathways Program, sharrows have been proposed for five blocks of Puget Street. Staff will be presenting their recommendation on the use of sharrows along this section of street, which is described in the attached memo. A recommendation from BPAC on this issue will also be sought.
