Background and Analysis:

The current labor agreement with the Police Guild expired on December 31, 2012. The contract covers over 50 uniformed Police Officers in the City's Police Department.

The union members ratified this agreement and staff is now bringing it before Council for final approval. The three-year contract, which is attached for Council consideration, will run from January 1, 2013 through December 31, 2015.

The agreement calls for a 2.5% Cost of Living Adjustment (COLA) effective January 1, 2013. For 2014 and 2015, the COLA will be a 2% minimum/4% maximum, tied to the City's sales tax revenue.

The contract also adds three new Special Pays, with School Resource Officers receiving a 3.3% premium pay, Instructors receiving an additional 1% premium pay, and a new category of Master Officer, which pays an additional 2% premium to those officers beginning with their 27th year of service. The Master Officer pay expires at the end of the contract.

There are no proposed changes to benefits in this contract, although the Guild and Management will enter
