Report

Issue:

What is being done to improve code compliance for bike parking?

Staff Contact:

Michelle Swanson, Senior Program Specialist, Public Works Transportation, 360.753.8575.

Presenter(s):

Tom Hill, Associate Line of Business Director, Community Planning and Development, 360.753.8486

Background and Analysis:

Last year, some members of BPAC and Community Planning and Development toured new construction to review bicycle parking code compliance. Some sites were not compliant. This is a follow-up report to describe actions taken in the last year to improve compliance.
