##### **Background and Analysis:**

The background and analysis have not changed from the April 1 staff report presented for first reading.

To change the budget the Council must approve a new ordinance amending the budget. Generally, budgetary amendments are made quarterly. On occasion a budget change needs to be made between the quarterly updates and a separate ordinance will come before the council. These ordinances do not officially amend the budget ordinance, but does provide authorization to expend funds. The attached ordinance reflects ordinances which may have been adopted relating to the budget since the last quarterly update, and other proposed changes to the budget.

No ordinances were passed since the adoption of ordinance 6884 relating to Special Funds.
