Title

Referral from Finance Committee

Report

Because \$1 per Capita Funds have not been directed to the Municipal Art Fund (MAF) from the General Fund since 2010, the Finance Committee has proposed that some of the funds outstanding from the 1% for Art allocation for City Hall, be used to replenish the account. The recommendation is to keep \$80,000 for City Hall public art and balance be moved to the MAF for other arts projects, but the split, if any, would be at the discretion of the Commission.

Options:

- 1) Split the funds between City Hall Public Art and the Municipal Art Fund.
- 2) Retain all funds for City Hall public art.
- 3) Put all the funds into the Municipal Art Fund.

Financial Impact:

\$180,000 from City Hall 1% for Art Funds
