**Background and Analysis:**

The citizens of Olympia made it clear to the City that they supported a fireworks ban. That ban was put in place by the City Council and for the last 2 years the fire department has used an informational process to help as many residents as possible know about this ban.

Assistant Fire Chief, Fire Marshal, Rob Bradley will give a short presentation reminding everyone of the fireworks ban in the City as we approach the Fourth of July Holiday.

**Neighborhood/Community Interests (if known):**

Citizens supported this ban in a past informational ballot item. The City has produced fireworks ban signs for residents to display in their neighborhood. The signs are available for pick up at City Hall on a first come/first served basis while supplies last.
