Background and Analysis:

The HOME Consortium will hold its annual retreat on Monday, October 12 at the County's Tilley Road Emergency Management Center. The agenda includes a discussion of "the Future", in which Consortium members will consider options to improve the governance of federal, state and local funds available for affordable housing, social services and homeless housing. In preparation, committee members will receive an oral report on potential options and will then hold a discussion on the City's goals for that discussion.
