Background and Analysis:

Every year the UAC develops a workplan which is the guiding document that determines the business items for the UAC during each monthly meeting. Ideas/topics are solicited from UAC members and City staff. The workplan is approved by the UAC in collaboration with Department staff, and then forwarded to the Council General Government Committee for their review and formal adoption by the City Council.

Work plan items from staff and UAC were due December 1st with a deadline extended to December 17th. From the workplan requests, staff drafted a work plan for UAC review. During the January 7th meeting, UAC will review, discuss and finalize the workplan for submission to the General Government Committee.

Neighborhood/Community Interests (if known):

Most of the items included in the draft work plan for 2016-2017 would be of interest to neighborhoods and community members.
