Title

Downtown Land Use Inventory - Briefing

Recommended Action

Staff Recommendation:

Staff briefing only; no action required.

Report

Issue:

In 2015 the City of Olympia updated its inventory of downtown land uses, including the use of upper building floors. Among other purposes, this inventory provides current-status information for the Downtown Strategy now being developed. As recently requested, the staff will present a summary of the inventory at the Commission meeting.

Presenter:

Amy Buckler, Senior Planner, 570-5847
