Background and Analysis:

Annually, most Council appointed advisory committees and commissions prepare a work plan for Council review and approval. Past Councils have agreed that the Design Review Board and Lodging Tax Advisory Committee only need to submit work plans if they propose activities that are different than their routine, annual work.

General Government Committee members individually reviewed the plans in March. The Committee met with advisory committee chairs on March 23. At that meeting, General Government unanimously agreed to recommend the work plans as submitted, with the understanding that priorities may change during the year and activities/timelines are dependent on available staff and committee time and resources.
