#### **Title**

Sub-area A Plan (ONNA) - Briefing

#### **Recommended Action**

Information only. No action requested.

#### **Report**

##### **Issue:**

Staff briefing on the status of the Sub-area A Plan, which is being developed by the Olympia Northeast Neighborhood Alliance (ONNA).

##### **Staff Contact:**

Linda Bentley, Senior Planner, CP&D, 360.753.8046

##### **Presenter:**

Linda Bentley, Senior Planner, CP&D, 360.753.8046

Mike Dexel, Sub-area A (ONNA) Chair

#### **Background and Analysis:**

The City of Olympia 2014 Comprehensive Plan allows for and encourages a grassroots process whereby local residents, businesses, and community organizations work together in partnership with the City to help shape how neighborhoods grow and develop. This process, known as Sub-area planning, gives neighborhoods the chance to collaborate with the city to help shape their future development in alignment with neighborhood priorities while remaining consistent with the city's Comprehensive Plan.

#### Sub-area A

Sub-area A is comprised of five recognized neighborhood associations in northeast Olympia - Bigelow Neighborhood Association (BNA), Bigelow Highlands NA (BHNA), East Bay Drive NA (EBDNA), Northeast NA (NENA), and the Upper Eastside NA (UENA). Representatives from these associations met regularly in 2014 to discuss how Sub-area planning could be an effective tool to shape their community. Subsequently, the Olympia Coalition of Neighborhood Associations (CNA) chose the Sub-area A planning team to pilot the first Sub-area plan.

In February 2015 the sub-area planning team requested City's Council's recognition of the team's

“intent to proceed.” In July 2015 City Council sent a response letter recognizing the Sub-area A planning effort and setting forth expectations for the completed plan and ways in which the planning effort should be a collaboration between the sub-area citizens and the city.

#### Progress and Outreach

Each of the five neighborhood associations in Sub-area A has communicated the concept of sub-area planning to its members. The Sub-area A planning team, in conjunction with city staff, has also:

- changed their name to Olympia Northeast Neighborhood Alliance (ONNA);
- developed their own website <http://www.olyнна.com> ;
- created an area demographic profile;
- designed a survey (attached) and a notification post card (attached) that went to all residents and owners in the sub-area;
- collated and analyzed the survey results; and
- started writing their draft Sub-area A plan.

#### **Neighborhood/Community Interests (if known):**

The level of response to the survey (attached) indicates that the residents are interested in their neighborhood and have some agreement for the most important issues. Also, the CNA is interested in the process and results of this pilot Sub-area A plan as it will inform future sub-area planning.

#### **Options:**

None. Briefing only.

#### **Financial Impact:**

Staff support and expenses for this project are included in CP&D’s 2016 budget.
