#### **Background and Analysis:**

Since 1985, the first week of May has been celebrated as Public Service Recognition Week. The employees of the City of Olympia work each day to deliver essential services to residents and to take on the most important and formidable challenges facing our City. They do these, and much more, with dedication, ingenuity, and a strong sense of commitment to the well-being of the City. The City of Olympia is also home to the largest body of state government employees in Washington, and their service to the state and contributions to City enrich the livability and vitality of both.

During Public Service Recognition Week, we acknowledge the men and women who answer the call to public service and who work together to make a difference in the City of Olympia.
