Bicycle and Pedestrian Advisory Committee

Briefing on Bike Corridors Public Feedback

Agenda Date: 2/15/2017
Agenda Item Number: 6.A.
File Number: 17-0167

Type: report **Version:** 2 **Status:** Filed

Title

Briefing on Bike Corridors Public Feedback

Recommended Action

Information only. No action requested.

Report

Issue:

Briefing on results of public outreach for the Bike Corridor pilot project and possible future routes

Staff Contact:

Michelle Swanson, AICP, Senior Program Specialist, Public Works | Transportation 360.753.8575

Presenter(s):

Michelle Swanson

Background and Analysis:

When the committee recommended the Bike Corridor pilot project route in 2015, it recommended that staff conduct a lot of public outreach when the project was built. Staff did that outreach in 2016. We have attached a report that summarizes both the outreach and what we heard from the public.

Staff will brief the committee on the report and next steps in the Bike Corridors program. Next steps will include prioritizing the order in which to build future Bike Corridors and making the pilot project permanent.

Options:

None - briefing only

Financial Impact:

The pilot project cost \$346,000. The cost for outreach was primarily staff resources and minor supply costs. Staff resources were not quantified.
