City Council

Approval of Interlocal Agreement with Lacey Fire District #3 for Fire Protection Services

Agenda Date: 10/3/2017
Agenda Item Number: 4.L
File Number: 17-0998

Type: contract **Version:** 1 **Status:** Passed

Title

Approval of Interlocal Agreement with Lacey Fire District #3 for Fire Protection Services

Recommended Action

Committee Recommendation:

Not referred to a committee.

City Manager Recommendation:

Move to approve the Interlocal Agreement between the City of Olympia and Lacey Fire District #3 for Fire Protection Services.

Report

Issue:

Whether to approve an Interlocal Agreement with Lacey Fire District #3 for fire protection services.

Staff Contact:

Jay Burney, Assistant City Manager, Executive Department, 360.753.8740

Presenter(s):

None - Consent Calendar Item.

Background and Analysis:

RCW 52.30.020 allows for Fire Districts to provide and charge for fire protection services for City properties within the District's response zone. Olympia owns seven (7) pieces of property that lie within the Lacey Fire District #3 (LFD3) protection area, which are shown in the attached agreement in Exhibit A. All of these properties belong to the Drinking Water utility. If there were to be a fire at one of these properties, LFD3 would provide the response.

LFD3 and the City negotiated an Interlocal Agreement to formalize the rate to be charged by LFD3 (attached). The rate of assessment, as allowed by RCW, is \$1.50/\$1,000 of assessed value. The assessed value of the City-owned properties for 2018 is \$13,383,000, resulting in an assessment for 2018 of \$20,074.50. However, Olympia's assessment is offset by LFD3's use of Olympia's ladder truck, which is estimated at \$7,577 (Exhibit B in the attached agreement). This leaves the total amount due to LFD3 for 2018 at \$12,497.50. This assessment will be included in the Drinking Water

utilities 2018 budget and rates.

The assessed value of Olympia's properties will be re-evaluated each year, along with equipment usage to determine the assessment in future years.

Neighborhood/Community Interests (if known):

N/A

Options:

1. Move to approve the Interlocal Agreement between the City of Olympia and Lacey Fire District #3 for Fire Protection Services.
2. Modify the Interlocal Agreement between the City of Olympia and Lacey Fire District #3 and move approval as modified.
3. Do not approve the Interlocal Agreement between the City of Olympia and Lacey Fire District #3 for Fire Protection Services.

Financial Impact:

The total annual cost to the City of Olympia for these services in 2018 is \$12,497.50. The Drinking Water utility will include this amount in its 2018 budget and rates.
