

## Utility Advisory Committee

### Maintenance Center Tour

**Agenda Date:** 10/5/2017  
**Agenda Item Number:**  
**File Number:** 17-1003

---

**Type:** discussion **Version:** 1 **Status:** Filed

---

#### **Title**

Maintenance Center Tour

#### **Recommended Action**

Receive a tour of the City of Olympia's Maintenance Center where Public Works Department crews utilize.

#### **Report**

##### **Issue:**

The tour of the Maintenance Center relates to the future facility needs for Waste ReSources. This is part of a larger feasibility study funded by City Council that is exploring future maintenance facility needs and options for Public Works and Parks together.

#### **Staff Contact:**

Rich Hoey, Public Works Director  
Dan Daniels, Waste ReSources Director
