#### **Background and Analysis:**

The City of Olympia participates in the Washington State Special Valuation program. The program provides owners of designated historic buildings with the opportunity to apply for a property tax revaluation following the completion of approved rehabilitation work. The purpose is to incentivize historic preservation by offsetting the costs to maintain and upgrade older buildings. To qualify for special valuation, the rehabilitation expenses must be equal to or greater than 25 percent of the value of the building (not the land value). Details on the Special Valuation program can be found at: <http://www.dahp.wa.gov/special-tax-valuation>.

As outlined in OMC 3.60 Special Property Tax Valuation (<https://www.codepublishing.com/WA/Olympia/>), the Olympia Heritage Commission (OHC) performs a full review of each application and its related expenses. The OHC then makes a recommendation to City Council for approval or denial.

The application must be reviewed or denied by the City Council before December 31, 2018. If approved, the City enters into a ten-year agreement with the property owner to ensure no additional modifications are made without written consent by the City.

The Thurston County Assessor completes the final processing of the special valuation. Beginning in the following year (2019) the property tax is reassessed and the total approved expenditures are subtracted from the new property tax value (based on the improvements) for ten years.

### 222 Capitol Way North

On August 22, 2018, the Olympia Heritage Commission passed a unanimous motion to recommend approval of the application for Special Valuation at 222 Capitol Way North at the historic Thorp Motors site. The Heritage Commission recommendation is based on the following:

- 1) The property is listed on the Olympia Heritage Register (approved May 31, 2017).
- 2) The rehabilitation work was completed within the requisite 24 months prior to application.
- 3) The rehabilitation work was reviewed by the Heritage Review Committee on April 16, 2018. Noting the high quality of craftsmanship and retention of historic character, the Committee moved that staff review qualified expenditures and process the application.
- 4) The assessed value of the structure prior to rehabilitation work was \$1,447,400.00. Qualified expenditures would have to meet or exceed a value of \$361,850.00 to meet the 25 percent threshold.
- 5) Staff conducted a review of all receipts and found the total of qualified expenditures is \$1,261,833.25 and exceeds the 25 percent of value threshold.

The City Attorney has approved the attached ten-year agreement as to form. The attached Certificate of Approval will be submitted to the Thurston County Assessor.
