#### **Background and Analysis:**

The Olympia Fire Department (OFD) has set a high safety standard for all emergency response vehicles in the fleet: to be maintained by highly skilled and competent mechanics. This high standard has paid off in safer and more reliable front-line and back-up vehicles for Olympia, Thurston County Medic One, Tumwater Fire Department and other local departments. They realize OFD's specialized level of service using a team of mechanics who are certified in Master Fire Apparatus and

Emergency Vehicles, along with experience, are difficult to find at a private repair facility. Most repair facilities are not solely specialized in repair of only emergency vehicles and cannot deliver the level of service needed.

This Interlocal Agreement continues to allow the OFD mechanics to provide repairs for Thurston County Fire Protection District #3 vehicles.

Thurston County Fire Protection District #3 will reimburse the City of Olympia for this service based on the provisions in the attached Interlocal Agreement.

**Neighborhood/Community Interests (if known):**

N/A

**Options:**

1. Approve the resolution authorizing the Interlocal Agreement. This joint effort provides benefits to both Olympia and Thurston County Fire Protection District #3 in the goal for community and firefighter safety. When Thurston County Fire Protection District #3 is assisting OFD during mutual aid responses, the apparatus that is travelling within our community is repaired at the highest safety level possible.
2. Do not approve the resolution.

**Financial Impact:**

Contract defines revenue to the City of Olympia Fire Department from Thurston County Fire Protection District (TCFPD) #3. The Department expects to receive +/- \$251,000.00 from the District. Approximately \$61,500.00 will cover the leasing of the mechanics shop in the District where the work is done. A Lease Agreement between the City and Thurston County Fire Protection District #3 (Lacey) allows the Olympia Fire Department to use the TCFPD#3 Vehicle Repair Facility.
