Whether to revise or approve as proposed the text for two Register plaques.

Staff Contact:

Leonard Bauer, Deputy Director, Community Planning & Development, 360.753.8206

Background and Analysis:

Using the information gathered during and following the review processes for these Register applications, staff prepared the attached draft text for the bronze plaques the City of Olympia will commission to commemorate the listings. The owners have been offered the opportunity to comment on the initial drafts. A comment from the owner of 2418 Otis St SE is attached.

Further historical information on these listings to the Register can be found in the meeting packets for the October 24, 2018 Heritage Commission meeting
