

Site Plan Review Committee

Capital Collision Annex, 2104 Carriage Dr SW, 19-3923

Agenda Date: 10/2/2019
Agenda Item Number: 3.A
File Number: 19-0882

Type: information **Version:** 1 **Status:** Filed

Title

Capital Collision Annex, 2104 Carriage Dr SW, 19-3923

Report

Project Information:

Construct a pre-manufactured metal building on existing asphalt auto parking/queuing area for customer vehicles awaiting damage repairs due to auto accidents. Existing open parking area to be enclosed in new structure of approximately 6,000 - 7,000 sf metal building. Paint booth and vehicle repair bays are intended. New building does not displace existing parking landscaping or change existing site drainage. New building does not encroach utility easements, sight screening buffers, property line setback, fire separations and is not visible from the front of the lot (carriage Dr).

Applicant:

Crawford Construction Inc., PO Box 4063, Tumwater WA 98501
