Title

Steven's Field, 300 24th Ave SE, 19-3911

Report

Project Information:

The proposal includes replacement of the existing clay infield at Stevens Field #2 with synthetic turf and the addition of LED ballfield lighting. New LED light fixtures will be added to two existing light poles and four new light poles will be installed around the perimeter of the field. The proposed improvements will be similar to what exists on Stevens Field #1.
